

Garden Rose Novelties 2021/2022

RT 15603
Nostalgic® Hybrid Tea
Anuschka®

In June 2019 the Nostalgic® hybrid tea rose Anuschka® competed in the novelty competition of Baden-Baden, one of the most important rose competitions in the world. Three prize juries had to evaluate 135 varieties from 34 rose breeders from all over the world. Anuschka®'s radiantly beautiful flowers and outstandingly healthy glossy foliage impressed all the jury members. As a result, Anuschka® was chosen as the beauty queen of the best rose varieties and awarded *The Golden Rose of Baden-Baden 2019!*

RT 15539
Nostalgic® Hybrid Tea
Mauritia®

Peach-pink colored petals twist and twirl in a historic-looking way around the center of the flower from which flows a heavy, sweet fragrance. It seems Mauritia® has survived centuries in forgotten gardens. Now it's winning our hearts with its nostalgic appearance.

Colour: light pink
Flowers: 10 – 12 cm
Growth height: 80 - 120 cm
Scent: ★★★★★★
Plants/sqm: 4 - 5
Leaf health: powdery mildew ★★★★★
black spot ★★★★★☆
Winter hardiness type: ★★★
Use: tub planting, flower cuttings, scent gardens
Remarks: Mauritia® will be named at *Europa Park* in 2022. <https://www.europapark.de/en>

RT 15635
Nostalgic® Climbing Rose
Deep Love®

The love for the artfully filled flower balls of the historic roses is unbroken. In our Nostalgic® rose assortment we find this traditional charm combined with excellent modern growth characteristics, frost hardiness and high disease resistance. So why should we compromise anymore? Deep Love® meets all our wishes.

Colour: raspberry red
Flowers: 8 – 10 cm
Growth height: 200 – 250 cm
Scent: ★★☆☆☆
Plants/sqm: 2 - 3

Plants/sqm: 4 - 5
Leaf health: powdery mildew ★★★★★
black spot ★★★★★
Winter hardiness type: ★★★
Use: tub planting, flower cuttings, scent gardens

RT 15521
Hybrid Tea
Noblesse®

Noblesse® really honors its name. Aristocratic are her flower shape and noble perfume. She loves weather worthy of her but immediately reblooms after a heavy rain. Her high robustness can't deny the origin from our healthiest breeding lines.

Colour: magenta
Flowers: 10 – 12 cm
Growth height: 70 – 100 cm
Scent: ★★★★★
Plants/sqm: 4 - 5
Leaf health: powdery mildew ★★★★★
black spot ★★★★★
Winter hardiness type: ★★★
Use: tub planting, flower cuttings, scent gardens

RT 16582
Hybrid Tea
Maleica®

Joy of color is her slogan! Bright pink shine the insides of the petals, delicate yellow shine their outsides. Their flowers are nobly shaped and wonderfully fragrant.

Colour: pink-yellow
Flowers: 8 – 10 cm
Growth height: 80 – 120 cm
Scent: ★★☆☆☆
Plants/sqm: 5 - 6
Leaf health: powdery mildew ★★☆☆
black spot ★★☆☆
Winter hardiness type: ★★☆☆
Use: beds, flower cuttings, mixed planting

RT 13799 II
Floribunda
Arifa®

Arifa® is a very active flowering floribunda rose with petals that form a peak and give the flowers a star-shaped appearance. The rose is healthy and winter-hardy and is therefore also very suitable for public gardening

Colour: light red
Flowers: 6 – 8 cm
Growth height: 50 – 80 cm
Scent: ★☆☆☆☆
Plants/sqm: 4 - 5
Leaf health: powdery mildew ★★★★★
black spot ★★★★★
Winter hardiness type: ★★★★★
Use: beds, tub planting, mixed planting, floristic

RT 14776
Floribunda
Pepino®

Pepino® is a red floribunda rose. In addition to its rich bloom it charms us with its pillow-shaped compact growth.

Colour: red
Flowers: 6 - 8 cm
Growth height: 50 - 80 cm
Scent: ★☆☆☆☆
Plants/sqm: 4 - 5
Leaf health: powdery mildew ★★★★★
black spot ★★★★★
Winter hardiness type: ★★★★★
Use: beds, tub planting, mixed planting

Leaf health: powdery mildew ★★★★★
black spot ★★★★★
Winter hardiness type: ★★★
Use: beds, tub planting, mixed planting, bordure

RT 10549

Bees' Paradise Rose®

Bees' Paradise Rose® mango

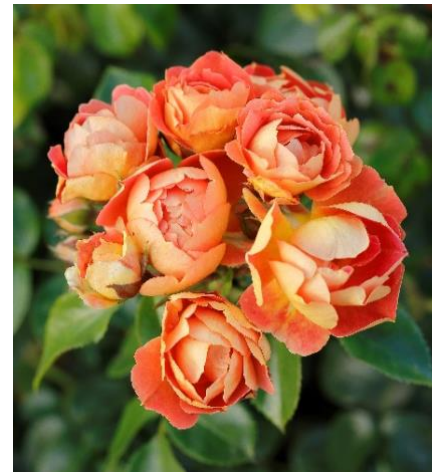

A new Bees' Paradise Rose® makes our range of insect-friendly roses even more attractive. Something very special is its long-lasting closed flower shape. The bright yellow back of the petals remains visible for a long time. Only slowly the flowers unfold and reveal the orange inside of the petals: An enchanting spectacle of color and a banquet for bees!

Colour: yellow, orange
Flowers: 2 – 4 cm
Growth height: 40 – 60 cm
Scent: ★★☆☆☆
Plants/sqm: 4 - 5
Leaf health: powdery mildew ★★★★★
black spot ★★★★★

Winter hardiness type: ★★★

Use: beds, tub planting, mixed planting

Remarks: Learn more about our Bees' Paradise Roses®, their color variety, use and care in our new film in the Rosen Tantau media library on our website www.rosen-tantau.com/en

Stadt Rom® Sport
Groundcover Rose
LandFrauen Rose®

LandFrauen Rose® is a bright sport of our multiple award-winning Stadt Rom®. In plant breeding a sport is a mutation, the sudden change in the genome that leads to an altered phenotype. This rose will be dedicated to the *German LandFrauen Verband* and baptized in 2021.

Plants/sqm: 4 - 5
Leaf health: powdery mildew ★★★★★
black spot ★★★★★
Winter hardiness type: ★★★
Use: low and compact area coverage, public green

RT 12570
Shrub Rose
Lancelot®

She is an offspring of our highly decorated Camelot®. Its health, bloom and characteristic sprinkles are a reminder of her mother variety. For those who find the growth of Camelot® too untameable Lancelot® provides all the qualities in the form of a compact shrub rose.

Colour: light pink with dark pink sprinkles
Flowers: 6 – 8 cm
Growth height: 120 – 150 cm
Scent: ★★☆☆☆
Plants/sqm: 3
Leaf health: powdery mildew ★★★★★
black spot ★★★★★
Winter hardiness type: ★★★
Use: hedges, groups

RT 12628
Rambler/Climbing Rose
Perennial Domino®

Perennial Domino® blooms continuously in large magenta-red flower clusters. It grows into an impenetrable wall or a compact flower pillar.

The novelty competition of Baden-Baden is one of the most prestigious rose trials in the world. After three years of bonits by several juries, Perennial Domino® received the *Honorary Award of the German Rose Society*, the *Gold Medal in the category of Climbing Roses* and even as the first climbing rose in history the highest award of the competition: *The Golden Rose of Baden-Baden 2020*.

Colour: magenta
Flowers: 2 – 4 cm
Growth height: 300 – 350 cm
Scent: ★★☆☆☆
Plants/sqm: 3 - 4
Leaf health: powdery mildew ★★★★★
black spot ★★★★★

Winter hardiness type: ★★★

Use: rose arch, pergola, pilla

Remarks: Honorary Award of the German Rose Society 2020, Gold Medal in the category of Climbing Roses Baden-Baden 2020, The Golden Rose of Baden-Baden 2020
